Special Thanksgiving Church Service downstairs following Sabbath School class.

Pastor Bob is planning a special Sabbath Service; and rather than a regular sermon, he wants you to "experience" Luke 22:15 ... You will be able to see, and better understand the "what" and the "why" of that "Passover Supper" that Jesus so earnestly wanted to experience with the disciples. You will receive an actual "seder" plate, or similar supper ... you may "try" it or just observe and understand it ... We will "NOT" do the foot washing either, but I will illustrate it in the way that Jesus did it ... it may be surprising to most of you. We will conclude with the ordinances of bread and wine, like they did, explained in detail you may not have seen heretofore, again if you wish not to eat or drink, that's OK. I just would like for you to understand it perhaps better than you ever did before. I earnestly and "with desire" hope for you to avail yourself of this experience. I understand some will not want to be without masks due to covid possibilities, and that is quite understandable, however, it is my belief that you will be blessed as you learn something of why it was so important for Jesus to want to experience that "supper" with His disciples. I am of course fully aware that these feasts and ceremonies are not celebrated by Christians, because everything they pointed forward to transpired at the cross; nevertheless, everything about the sanctuary is important and even necessary for us to understand. Please plan to enjoy this experience with us.

Can you find an English word which when you remove one letter, successively 8 times you will have 8 other words remaining? Hint: the original nine letter word begins with an "s". The answer will be in next week's Bulletin. By the way, the Rabbi had three daughters! ... Did you find the oddity about last week's pastoral paragraph?

Avalon Project updates:

- Avalon's computer lab has 8 new computers thanks to several donations last year. These computers are important for science research, typing skills, teaching internet safety, writing and editing reports, standardized testing... We are looking for donations to expand our lab to include **4 more computers** to accommodate our larger classes and invite you to be part of this project.
- The kitchen ventilation project was completed just in time for school to start! Also, the gym was painted and its ceiling repaired. - a big thank you to all who contributed!
- Our next projects include **replacing the floor heating system** as the old one nears its expiry date and **painting the exterior of the school building**.
- Worthy student fund** always welcomes your support. We know tuition can be a barrier for students to attend Avalon, and financial help is periodically needed.
- Please mark your offering envelope Worthy Student Fund Local, Avalon Projects (name project). Or donate Online Giving at <http://www.porthardybc.adventistchurch.org/>

Avalon's enrollment is currently at 37 students, plus 6 preschoolers. Although we'd like to have more students, the group we have this year is more open to Christian education and we are grateful. Please pray for the staff as they minister to our students and their families and for more students with open hearts. May God bless your generosity as we strive to remain good stewards of our school as it ministers to our community!
