From the Pen of Inspiration

The Bible is full, clear, and explicit; the character of the true disciple of Christ is marked out with exactness. We must search the Scriptures with humble hearts, trembling at the word of the Lord, if we would not be in any way deceived in regard to our true character. There must be persevering effort to overcome selfishness and self-confidence. Self-examination must be thorough, that there be no danger of self-deception. . . . Deal truly with your own hearts, for you cannot afford to run any risk here. Count the cost of being a whole-hearted Christian, and then gird on the armor. study the Pattern; look to Jesus, and be like Him. (Testimonies to the Church, vol. 5, p. 332.)

Health Ministries

There are some substances that should be avoided at all costs. Alcohol in all forms, tobacco and mood altering drugs are among these. Our relationships and physical and spiritual health can be permanently damaged by their use. If you are struggling with any of these substances, talk with a trusted church leader or friend and get professional help. You will never be sorry you did!
