Hurricane Helene left devastation beyond our imagination in Western North Carolina. Our hearts can be involved in the recovery process back there by safely contributing through our Adventist network. The fastest way for that area to receive funds is by going directly to the Carolina Conference website to their online tithing envelope where they have created a special offering for this crisis. Monies given thru our local churches can take several months to reach that area due to the reporting process. For more information go to: adventistgiving.org/donate/ANT888

Bulletin Information Deadline: Please contact Pat Pielat by email at clerk@postfallssda.org by Wednesday noon.

Cares Chorus

I cast all my cares upon You. I lay all of my burdens down at Your feet. And any time that I don't know what to do, I will cast all my cares upon You.

Prayer Song

Now, Dear Lord, as we pray, take our hearts and minds far away From the press of the world all around, to Your throne where grace does abound. May our lives be transformed by Your love, May our souls be refreshed from above. At this moment, let people everywhere join us now as we come to your in prayer.

From the Pen of Inspiration

“And this is life eternal, that they might know Thee the only true God, and Jesus Christ, whom Thou has sent”, John 17:3. The eternal Word became flesh and dwelt among us. This theme will quench unbelief; and yet, sad to say, Jesus has been dropped out of many, many discourses that have been preached by Seventh-day Adventist ministers. And why? Because these ministers had not Jesus abiding in their hearts by faith; they were not clothed with Christ's righteousness. (The Voice of Speech and Song, p. 315.)

Health Ministries

Two more factors for good sleep are exercise and nutrition/hydration. Be sure that you are getting adequate activity during the day (but not too close to bedtime) to promote sleep. A healthy diet and adequate nutrition also help to promote rest. A plant-based diet and fluid intake of 8-10 glasses a day (emphasizing plain water) are best.
