### From the Pen of Inspiration

When the judgement shall sit, and the books shall be opened, and every man shall be judged according to the things written in the books, then the tables of stone, hidden by God until that day, will be presented before the world as the standard of righteousness. Then men and women will see that the prerequisite of their salvation is obedience to the perfect law of God. None will find excuse for sin. By righteousness principles of that law, men will receive their sentence of life or of death. (The SDA Bible Commentary, vol 1, p. 1109.)

### Health Ministries

Our theme for the month of June is WATER! The benefits of the use of water both inside and out can hardly be overstated. It is estimated that 75% of Americans are chronically dehydrated. Be sure you are monitoring your water intake. The thirst mechanism - especially as we age - cannot be trusted to remind us to take in adequate water. Shoot for 6-10 (8 oz) glasses as a starting point. And thank God that we live in a country where water is so easily accessible! Enjoy one of God's most precious gifts as often as you can. And since water is our theme for this month, consider making a contribution to an organization that makes it easier for those in other countries to get good, clean water near their homes.
