## From the Pen of Inspiration

Christ, the Majesty of heaven, said, "Suffer the little children to come unto Me, and forbid them not: for of such is the kingdom of God." Jesus does not send the children to the rabbis, He does not send them to the Pharisees; for He knows that these men would teach them to reject their best Friend. The mothers that brought their children to Jesus did well. . . . Let mothers now lead their children to Christ. Let ministers of the gospel take the little children in their arms, and bless them in the name of Jesus. Let words of tenderest love be spoken to the little ones; for Jesus took the lambs of the flock in His arms, and blessed them. (The Review and Herald, March 24, 1896.)

## Health Ministries

Temperance in eating may be the most widespread challenge of all. With so much high calorie, processed food easily available and so much stress and anxiety in our lives today, overeating is an easy trap to fall into. if this is a challenge for you, set some attainable, small goals for yourself, find an accountability partner and pray every day that you will eat to God's glory.

## Call to Worship Song – "His House"

We have come into His house, and gathered in His name, to worship Him. Let's forget about ourselves, and magnify the Lord and worship Him. Let us ask for healing grace And look upon His face, and worship Christ the Lord.

Worship Him, Christ the Lord.
