From the Pen of Inspiration

As we near the close of this world's history, the prophecies relating to the last days especially demand our study. The last book of the New Testament Scriptures is full of truth that we need to understand.

The perils of the last days are upon us, and in our work we are to warn the people of the danger they are in. Let not the solemn scenes which prophecy has revealed be left untouched. If our people were half awake, if they realized the nearness of the events portrayed in the Revelation, a reformation would be wrought in our churches, and many more would believe the message. . . . Let Daniel speak, let the Revelation speak, and tell what is truth. But whatever phase of the subject is presented, uplift Jesus as the center of all hope, "the Root and the Offspring of David, and the bright and morning Star." (Testimonies to Ministers, pp. 116, 118.)

Health Ministries

As we mentioned last week, water intake can reduce our chances of getting cancer. This includes lower risk of colon, bladder and breast cancers among others. This makes sense when you remember that our immune system plays a role in fighting cancer and water boosts our immunity. It also keeps our body systems working at their best. Replace that can of soda or cup of coffee with some water today!

Call to Worship Song – "His House"

We have come into His house, and gathered in His name, to worship Him. Let's forget about ourselves, and magnify the Lord and worship Him. Let us ask for healing grace And look upon His face, and worship Christ the Lord. Worship Him, Christ the Lord.
