## From the Pen of Inspiration

The time of tarrying is almost ended. The pilgrims and strangers who have so long been seeking a better country are almost home. I feel as if I must cry aloud, Homeward Bound! "Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be found of him in peace, without spot, and blameless." 2 Peter 3:14. (Our High Calling, p. 367.)

## Health Ministries

Let's talk about pain. Ouch!! For many of us we are becoming all too familiar with this constant visitor. It is important to remain active to a level that is appropriate for your stage in life to keep joints lubricated and muscles at their peak. The endorphins that we enjoy while exercising (especially outdoors) are also very effective in relieving pain. Remember you don't have to get hot and sweaty to enjoy the benefit of exercise and the endorphins that come with it. If you find that moving around is painful at the beginning, warm up with a coconut oil rub to those painful joints and start out slow. But start this week if you haven't already!
