From the Pen of Inspiration

The great controversy is ended. Sin and sinners are no more. The entire universe is clean. One pulse of harmony and gladness beats through the vast creation. From Him who created all, flow life and light and gladness, throughout the realms of illimitable space. From the minutest atom to the greatest world, all things, animate and inanimate, in their unshadowed beauty and perfect joy, declare that God is love. (The Great Controversy, p. 678.)

Health Ministries

Water and pain: are they related? As it turns out, studies show that staying hydrated (8-10 cups a day) can ease back and joint pain for up to 80% of pain sufferers. Since our joints depend on natural lubrication, taking in adequate water is important to prevent friction and help remove toxins that can cause pain. Make it your goal to drink adequate water every day!

Call to Worship Song – "His House"

We have come into His house, and gathered in His name, to worship Him. Let's forget about ourselves, and magnify the Lord and worship Him. Let us ask for healing grace And look upon His face, and worship Christ the Lord. Worship Him, Christ the Lord.
