From the Pen of Inspiration

The life of Christ is to be carefully meditated upon, and to be constantly studied with a desire to understand the reason why He had to come at all. We can only form our conclusions by searching the Scriptures as Christ has enjoined upon us to do, for He says, "They testify of me." We may find by searching the Word the virtues of obedience in contrast with the sinfulness of disobedience. "As by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous." (Reflecting Christ, p. 132.)

Health Ministries

As we have mentioned previously, fresh air is very important for healthy lungs and effective operation of other body systems. Exposure to fresh air can help our immune system, promote sleep and relieve anxiety - especially when combined with moderate exercise. Whenever possible take a walk outside every day and breathe deeply of our fresh Idaho air.

Call to Worship Song - "His House"

We have come into His house, and gathered in His name, to worship Him. Let's forget about ourselves, and magnify the Lord and worship Him. Let us ask for healing grace And look upon His face, and worship Christ the Lord.

Worship Him, Christ the Lord.
