Dear Northwest Christian School Friends and Family,

We are marching into spring of 2025 and one of the busiest times of the school year! February and March are budgeting season for our school, registration is just around the corner, and the NCS personnel committee will once again begin the search for next year's grade 5 teacher. These are prayerful efforts as we allocate our school's resources and seek to identify an educator who upholds a high standard for academics, a true love for our students, and Jesus in their heart. I am encouraged by the excellent candidates who have already shown interest in the position, and I trust that the Lord has a wonderful plan for next year.

Registration is just around the corner! As is our custom at NCS, registration will be open for current families first, and it will stay open exclusively for you for one full week before moving into open registration for new families. It is very important that you secure your child(ren)'s classroom spots during that week for the 2025-26 academic year, as many of our rooms have a tendency to fill up quickly. Remember that NCS caps the number of students per classroom at 20 for transitional kindergarten, 22 students in grades K-4, and 25 students in grades 5-8. Once a classroom's enrollment has reached its cap, a waiting pool is established. Registering quickly and early is critical to avoid being placed in a waiting pool.

Please keep NCS in your daily prayers as we begin the process of planning for next year!

Craig Mattson, Principal
