## WELCOME

---

Grace and peace to you. This was the Apostle Paul's traditional greeting to the churches in God's Kingdom community—God's family of grace and peace. Family relationships are important to God and they're important to us too! We hope and pray that you find grace and peace and family here in our Kingdom community. Please take some time to check out our programs, church school, or a sermon or two. We hope you'll come back frequently, and we pray that God will richly bless you as you seek to know Him and grow in grace.

## **OFFERING THIS WEEK is for Women's Ministries (NAD)**

Women are specifically designed by God to meet the needs of other women. Women's Ministries is the best way to connect the church with unchurched women in your community and introduce them to Jesus Christ.

Across the North American Division, from the United States to Canada and from Bermuda to Guam-Micronesia, the women of the church are engaged in serving others. They give Bible studies, hold evangelistic series, and minister to those in shelters for battered and homeless women. They provide for the needs of families seeking refuge on our shores from oppressive regimes, teach English as a second language classes, tutor school children, and make bags of love for children who are displaced from their homes or their parents. The women of the church are making a significant difference in their communities and their congregations.

COVID didn't slow down ministry, it just moved it online. Local, Conference, Union, and Division women's ministries offered online and live webinars, retreats, and seminars. Zoom became the place to get together to talk, study, discuss books, and pray together.

Established in 1898 at the urging of Ellen White, the Women's Ministries Offering funds evangelistic outreach events and leadership training for women across the North American Division. These women partner with God in service through ministries that seek to encourage, equip, and challenge girls, teens, young adults, and women to grow deeply in God and serve Him uniquely with their gifts and talents.
