

OFFERING THIS WEEK is for Local Church Budget

Happy Independence Day!

If you live in Canada, today is *the* day. If you live in the United States, it comes this next week. For both countries, independence came from no longer being under the British crown.

Some might compare this to a child growing up and becoming independent of one's parents—something pseudo or fabricated until there's financial independence as well.

Independence Day—for your nation or for kids who grow up and stand on their own—how does this compare to our relationship with God? When do we declare our independence from Him? Is this something we forge, or is it merely fictitious? Does our increase in responsibility release God to care for others who need Him more?

Consider ancient or more recent history, and you'll find throughout earth's orbits around the sun that our "independence" from God might find a place in our imagination, but not in reality. Can you change the earth's rotation, add 100 years to your life, make an actual sunset rather than just paint it on canvas, answer the individual prayers of billions of people each day, put your finger on sub-atomic particles, or change a heart of stone to a heart of flesh?

You don't need to. God remains in control and invites you to be "interdependent" with Him rather than "independent" of Him. Make this Sabbath your "Interdependence Day" by giving to God, who gives life to you.

~Steve Case

WELCOME

Grace and peace to you. This was the Apostle Paul's traditional greeting to the churches in God's Kingdom community—God's family of grace and peace. Family relationships are important to God and they're important to us too! We hope and pray that you find grace and peace and family here in our Kingdom community. Please take some time to check out our programs, church school, or a sermon or two. We hope you'll come back frequently, and we pray that God will richly bless you as you seek to know Him and grow in grace.
