## WELCOME

---

Grace and peace to you. This was the Apostle Paul's traditional greeting to the churches in God's Kingdom community—God's family of grace and peace. Family relationships are important to God and they're important to us too! We hope and pray that you find grace and peace and family here in our Kingdom community. Please take some time to check out our programs, church school, or a sermon or two. We hope you'll come back frequently, and we pray that God will richly bless you as you seek to know Him and grow in grace.

### **OFFERING THIS WEEK is for the Disaster and Famine Relief (GC & NAD)**

You've read the news and watched the footage—witnessed the aftermath from hurricanes, fires, floods, and other disasters tearing apart communities. Families are displaced, having lost their home, livelihood, and even loved ones. What happens next?

For many, the answer is Adventist Community Services (ACS) Disaster Response. The ACS network of trained volunteers respond across the North American Division (NAD), offering services, goods, and a caring heart.

Adventist expertise has traditionally focused on leading and operating the warehouses where donated goods are sent to be sorted, inventoried, and distributed to the affected community. Recent years have seen the Adventist role expand to meet a variety of needs such as sheltering, delivery of goods, rebuilding communities, and providing emotional and spiritual care.

Almost four months after Hurricane Ida swept through Louisiana, the Houma Nation was still in desperate need of help as many homes were damaged and winter was approaching fast. ACS Disaster Response leaders came to the area to learn how they could help those who had been overlooked. One resident asked in desperation, "What are we supposed to do?"

After assessing the situation, ACS was quickly able to bring blankets and other household items to share. In addition, the North American Division ACS Disaster Response sent funds to local teams who purchased space heaters to keep people warm while they rebuilt their homes. This money was from gifts like yours.

Today's offering is shared between Adventist Community Services Disaster Response, who responds to disasters within the NAD, and Adventist Development and Relief Agency's international disaster response work. Thank you for joining the teams that extend a hand of mercy to people in crisis.
