**Happy Sabbath** – “God instructs humans to cultivate and care for the garden, implying that humans are responsible for caring for creation.”

Prayer Focus – Heavenly Father, we come before you today with grateful hearts, I acknowledging that everything we have – our time, talents, and resources- are gifts from you. Guide us to be faithful stewards of all you have entrusted to us using them wisely and generously to serve you and others. Help us to discern the needs around us and respond with compassion, sharing our blessings in a way that honors you. May we always remember that we are accountable for how we manage your gifts, and strive to live lives that reflect your love and abundance. In Jesus name, Amen

**Spiritual Life** - The spirit of gain getting, of making haste to be rich, of this all absorbing worldliness. Is painfully contradictory to our faith and doctrine. Should the Lord most high be pleased to impact his Holy Spirit, and seek to revive his work.
