

TO BE LIKE *Jesus*

WEEK OF SPIRITUAL
ENCOURAGEMENT 2023

LOVE

Jesus's love was personal. It reached the inner depths of who people were, failures and all. Jesus heard the true needs and desires of people and provided them with what they truly needed. Jesus's love is freely given to all who accept it, but it is never forced upon those who don't. His love allows each of us our own free will. In learning more about how Jesus' love gives us freedom, we can love others in the same way.

“Love speaks a better word over our life. Now the question here is: Who will we believe? The accuser or the redeemer?”

Pastor Manny Artega
Pastor, Kalēo church
