

# TO BE LIKE *Jesus*

WEEK OF SPIRITUAL  
ENCOURAGEMENT 2023

## HOPE

*Jesus's way of speaking to those in need brought life and hope. His language around hurting people was never harsh or judgmental. His aim was not to point out their mistakes or make them feel awful for their sins. Jesus's goal was to show how much He cared for His people, using words that planted hope and healing in their hearts. With His help, we, too, can bring words of life to people who are hurting and in need of a savior.*

“Our enemy wants to take away our HOPE in Jesus NOW! When our present HOPE is taken, there is no hope tomorrow and there is no hope past.”

## DISCUSSION QUESTIONS

- 1 What is the relationship between our circumstances and hope? Is one affected by the other, or are they independent?
- 2 Where can we find hope when our circumstances seem hopeless?
- 3 How can we provide hope to those we come in contact with each day?
- 4 What it mean that Jesus is our present hope? What does that look like in a practical sense?
