

2024-2025
3rd-4th Grade Supply List

- 1 regular size utility caddy (*any color*)
 - **Wooden** Pencils and/or Mechanical pencils (*if you think your child can manage them*)
- 😊 *If your child prefers mechanical pencils, make sure to provide lead and top erasers too, please. The use of mechanical pencils is a privilege that only 3rd and 4th graders have. As with any privilege, it can be lost. Two reasons why this privilege can be lost: (1) Child keeps taking the pencil apart, consuming school time on it, (2) Mechanical pencil becomes a toy, distracting your child's attention (especially with some really cute mechanical pencils out there)*
- 2 pk. Cap erasers
 - 1 nice Journal (*let your child pick one he/she really likes but preferably, regular notebook size*)
 - 1 **RED** plastic Pocket Folder
 - 1 Pocket folder of any color (Going home folder)
 - 2 pk. College ruled paper
 - 120 assorted Construction Paper
 - 4 Thick Glue Sticks
 - 1 White Glue (medium size)
 - Crayons
 - Markers (thick and thin)
 - Color pencils
 - Safety Scissors
 - 3 Big Containers of disinfecting wipes
 - 4 Boxes of Tissues
