

## Pacing Guide (90-Minute Class Sessions)

### Student Edition

The Student Edition constitutes the main tool for the *EntreCultures* Program. The Level 1 Student Edition contains 6 units plus a preliminary unit. Each unit is comprised of the following sections.

- **Rencontre interculturelle:** Introduction to a francophone country or region through a native-speaker vlogger from that region. Students will repeatedly interact with the unit vlogger, building intercultural competence.
- **Communiquons 1, 2, 3:** Communicative section related to the unit theme with specific vocabulary, grammar, and culture focus.
  - **Comment dit-on ?:** Introduction of thematic vocabulary and expressions in context. Students learn and apply words they will need to complete communicative tasks.
  - **Découvrons:** Inductive approach to grammar in context. Students notice patterns, test hypotheses, and apply language structures to support communication.
  - **Zoom culture** presentation of cultural products or practices through perspectives to develop intercultural reflection through cultural comparison.
  - **J'avance:** Formative checkpoints for reflection and self-assessment. Students monitor their progress with Can-Do statements, self-assess, and identify areas for improvement.
- **Notre communauté mondiale:** Projects and tasks that connect classroom learning to francophone communities and global themes. Students investigate communities, research perspectives, and apply language skills in authentic, real-world projects, building real-life skills for future opportunities.
- **J'y arrive:** Unit Summative Assessment (Integrated Performance Assessment, IPA). Students demonstrate performance and reflect on what they can do with the language at this stage of proficiency.

### Resources

**Workbook:** Grammar and Vocabulary Practice activities to provide reinforcement of key unit content through exercises.

**Nualang:** Interactive and playful digital environment to practice speaking, listening, and pronunciation of French

- Nualang **Roleplays:** Structured dialogues that allow students to rehearse conversational exchanges, practice pronunciation, and build confidence in speaking.
- Nualang **Chatbots** conversation practice: AI-powered interactive conversations that adapt to student input, encouraging spontaneous language use and real-time communication practice.
- Nualang **Play Live:** Teacher-led sessions where students play games, rehearsing content learned in the units in a fun and dynamic setting.
- Nualang **Discuss:** Pair discussion activities to interact with peers, exchange opinions, practice or demonstrate interpersonal communication.

**Vocabulary Flashcards:** Digital audio-recorded flashcards and printable versions to practice unit vocabulary.

**Companion Reader:** A digital reader with audio support and comprehension activities. Reinforces unit themes and vocabulary while developing reading and listening skills.
