Looking to host a memorable private or semi-private event? Whether it's a birthday party, corporate gathering, rehearsal dinner, or any special occasion, our venue offers the perfect setting tailored to your needs. With customizable packages, professional staff, and a seamless planning process, we'll help bring your vision to life!

What do I need to confirm my event booking?

If you approve the proposal we send to you, let us know and we will send you a contract that will need to be signed, along with deposit instructions. After that, your event will be fully confirmed.

My event is confirmed, now what?

We would be happy to set up a planning session whether that is a phone or video call or on-site meeting! We do not always work traditional hours, so please let us know that you would like to schedule so we can make sure we are able to set aside an appropriate amount of time to dedicate to you and your event.

When do I need to finalize my food and beverage selections?

All final food and beverage selections are due 14 days prior to your event. Should you book your event within the 14 days deadline we ask for, we will communicate with you when we will need the selections and if there are any limitations to choices in the event menu.

When is my final guest count due?

Your guaranteed guest count is due 72 hours prior to your event. After that point, we may not be able to adjust the quantities of any of your food and beverage selections.

When is my final payment due?

We suggest waiting until you provide us with your guaranteed guest count but you're welcome to pay at any time as long as you are paid in full by the end of your event. As every event is different, we understand payments may need to be made in different ways so please ask your event manager if you have specific questions.

Do you allow tax exemptions?

Yes! You will need to send us documentation and we will happily apply it to your event.

Do you offer military discounts?

We do not offer military discounts on events. However, we do offer military discounts on checks for regular restaurant service.

Are we allowed to decorate for our event?

Absolutely! Please speak with your event manager about specific details.

Are we allowed to use Free Pint Cards as a discount towards our final bill?

Unfortunately, we do not accept pint cards as a form of payment during events.

Are you able to accommodate allergies/specific dietary preferences?

Absolutely! Please let your event manager know what these restrictions are and we will work with you on how to execute this in a safe manner.

Do I get a discount on our buffet if there are children attending my event?

Yes, children 0-3 eat from the buffet for free and children 4-12 eat for half off!

I see you don't have prices listed on your event menu. Besides food & beverage pricing, what can we expect?

Rental fees and minimums are based on a sliding scale and may be applied to your event. Local and states taxes will be added to all aspects of the event, as well as a customary 20% gratuity on all aspects of the event.
