

Documentation for Gullu.ly - Creative Digital Agency PSD Template

Hi, First thank you for purchasing this template. I am writing brief details about my thought of interaction and all about this template.

I have designed this template with 16 pages. All these are

1. Home 1
2. Home 2
3. Home 3
4. About us
5. Service V1
6. Service V2
7. Portfolio V1
8. Portfolio V2
9. Portfolio V3
10. Single Projects
11. Our Team
12. Our Team V2
13. Blog V1
14. Blog V2
15. Blog V3
16. Single Blog
17. Contact us
18. Shop
19. Single Shop
- 20.
- 21.

1, 2, 3. Homepage:

All Homepages have some common and major concepts. I have shown here services, projects, features and team members. All those interactions are shown in mouse hover state.

4. About Us:

I have put this for company information. Anyone can use there company information with some major data about company

5, 6. Services:

In this you can put the information about the company Services & Service Details

7, 8, 9, 10. Projects & Details:

Here is 2 version style of project, You can put your company archive in the gallery and also can use for it for create a image showcase.

11, 12. Our Team:

Here is 4 different version of team pages

13, 14, 15, 16. Blog & Blog Details:

Here will will be blog/recent of company

18, 19. Shop & Details:

This is shop page, here you can show your product and details

17. Contact Us:

This is a simple cntact us page. USer can contact with conpamy to send message from here.

Fonts and Typography

All fonts I have used here are free google font. Below all these name and links.

1. Poppins Google font (<https://fonts.google.com/specimen/Poppins>)
3. Lato Google font (<https://fonts.google.com/specimen/Lato>)

Images

All Icons and images are from different sources. I am giving all these links here.
